TOWN WARRANT
THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Kensington in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Kensington on Tuesday, the eighth day of March, next at 10:00 of the clock in the forenoon, to act upon the following Articles: 1, 2 & 3.

Polls will close at 7:30 p.m.

You are hereby notified to meet at the American Legion Hall in said Kensington on Thursday, the tenth day of March, next at 7:30 p.m. to act upon Article 4 and subsequent articles.

1. To choose all necessary Town Officers for the year ensuing.

2. To see if the town will vote to amend zoning ordinance by amending article 9 relating to building permit fees as follows: "by increasing the minimum fee from $5.00 to $10.00, returnable to the Building Inspector as payment in full for his services."

3. To see if the town will adopt article 30, Wetland Conservation District:

I. PURPOSE

The general purpose of this District is for regulation of wetlands in Kensington in such a manner as to preserve the Town's water resources for the benefit of public health, safety and general welfare. Correlated purposes are:

A. To preserve wetland areas for their natural productivity, wildlife habitat, recreational and scenic enjoyment, and to encourage uses that will enhance these values.
B. To preserve natural wetland areas which provide flood protection, nutritient absorption and augmentation of stream flows during dry periods.
C. To prevent the development of structures and other land uses on naturally occurring wetland areas that would contribute to surface and groundwater pollution or reduce surface and groundwater supplies.
D. To prevent unnecessary or excessive expense to the Town in providing and maintaining obligated services which arise because of the inappropriate use of wetland areas.

II. DEFINITION AND DESIGNATION

A. The Kensington Wetlands Conservation District encompasses specific areas mapped and delineated by the United States Department of Agriculture (U.S.D.A.) Soil Conservation Service. This District is shown on a map designated as the "Town of Kensington Wetlands Conservation District."

These areas encompassed are:

Marshes, bogs
Swamps
Ponds
Streams

Poorly drained soils - those soil areas in which the water table rises to within six inches of the ground surface for six to nine months of the year.

Very poorly drained soils - those soil areas in which the water table is at or on the surface of the ground for more than nine months of the year.

Wetland area boundaries indicated on the Wetland Conservation District map are based on soil survey field work conducted during 1978. This work was done in cooperation with the Rockingham County Conservation District by staff scientists of the U.S.D.A., Soil Conservation Service. Copies of this work in total are on file with the Kensington Planning Board, Conservation Comm., and Town Clerk, as well as the District office of the Soil Conservation Service in Exeter.

B. In Cases where areas designated by the Wetlands Conservation District are regulated by the Land Use Ordinance and Subdivision Control Regulations, the more restrictive regulations shall govern.

III. PERMITTED USES

A. For areas with poorly drained soils:

1. General: Any use that does not involve the erection of a permanent residential, commercial or industrial structure and that does not alter the surface configuration of the land by the addition of fill or by dredging, except as a common treatment associated with a permitted use. A permitted use must be consistent with the purpose and intent of Section I. Permitted uses include, but are not limited to:
   a. Agriculture;
   b. Forestry and tree farming;
   c. Construction of well water supplies;
   d. Drainage ways, to include streams, creeks or other paths of natural runoff as well as common agricultural land drainage;
   e. Wildlife habitat development and management;
   f. Parks and recreation;
   g. Conservation areas and nature trails;
   h. Open space as permitted or required by subdivision regulations.

B. For very poorly drained soils and/or marshes, swamps, ponds, bogs, and streams:

1. General: Such uses as specified by Section III-A for poorly drained soils shall be permitted except that no alteration of the surface configuration of the land by filling will be allowed, even if the proposed use is a common treatment associated with a permitted use. No erection of a structure will be permitted.

IV. PROHIBITED USES

Uses prohibited in the Wetlands Conservation District include but are not limited to:

A. Waste disposal systems;
B. Septage waste or sludge disposal;
C. Storage of gasoline, fuel oil or other hazardous materials;
D. Landfills or dumps;

E. Commercial excavation;
F. Roadsalt stockpiles.

V. SPECIAL PROVISIONS

A. Poorly drained soils may be used to fulfill all but 3/4 of an acre (30,000 square feet) of any building lot minimum acreage requirement provided that the non-wetland area is sufficient in size and configuration to accommodate all required utilities, as determined by the Town of Kensington Test Pit Inspector.

B. No very poorly drained soils or bodies of water may be used to satisfy minimum lot size.

VI. SPECIAL EXCEPTIONS

A. Special exceptions may be granted by the Board of Adjustment for the following uses within the Wetlands Conservation District, if it can be shown that such proposed use will not conflict with the purposes and intent of Section I. Proper evidence to this effect shall be submitted in writing to the Board of Adjustment.
   1. Streets, roads and other access ways and utility right-of-way easements, if such location is essential to the productive use of land not so zoned, and so constructed as to minimize any detrimental impact of such use upon the Wetland Conservation District.
   2. The construction of wharves, footbridges, catwalks, fences, water impoundments and beaches. The Building Inspector shall ensure that all construction conform to standard construction requirements.

B. The Kensington Conservation Commission and the Rockingham County Conservation District may submit their comments on the anticipated environmental effects of these uses on the area proposed for such use, which will be used by the Board of Adjustment in its decision.

C. All necessary state permits and approvals required by State Statutes shall be obtained prior to local special exceptions being granted.

VII. PROCEDURE FOR REVIEW

A. Building Permits for Individual Lots:
   1. Lots of Record - The Building Inspector shall check the location of proposed construction relative to the Wetlands Conservation District to ensure compliance with this Article. Wetland information from the Wetland Conservation District map shall be submitted to and reviewed by the Building Inspector. The person applying for a building permit shall gather necessary information.
   2. New Lots - The Building Inspector shall rely on the review of the Test Pit Inspector, as required by Section V-A.

B. Subdivision Proposals: Upon receiving a subdivision proposal, the Planning Board shall check the location of all proposed new lots relative to the Wetlands Conservation District to ensure compliance to this Article. The Town Of Kensington Test Pit inspector shall include, as part of his site information, whether the special provisions of Section V of

this Article have been met.

Wetland information from the Wetland Conservation District map shall be submitted to the Planning Board by the person proposing a subdivision.

VIII. PROCEDURE FOR APPEAL OF WETLAND CLASSIFICATION
In the event that an area is alleged to be incorrectly designated on the Wetland Conservation District Map, the person or persons aggrieved by such designation, or the Planning Board or Test Pit Inspector, may call upon the services of an independent qualified soil scientist to examine the area in question and report on the actual location of the Wetland area. Such investigations shall be undertaken at the expense of the person or persons so aggrieved. A qualified soil scientist is interpreted to mean a person qualified in soil classification and who is recommended or approved by the Rockingham County Conservation District Supervisors.

4. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same. Selectmen's estimate of expenditures for the ensuing year is $203,658.86.

5. To see if the Town wishes to allow a discount on taxes paid within 30 to 60 days after presentation of tax bills.

6. To vote on the basis of payment and the amount thereof to be paid to the Tax Collector for the collection of taxes.

7. To see if the Town will grant the Selectmen authority to borrow money in anticipation of taxes.

8. By petition of Judith S. Pease and others: "To see if the Town will vote to raise and appropriate the sum of $481.00 to assist Rockingham Child and Family Services, a private, non-profit organization. The amount of this request is based on services rendered to 13 residents of the Town of Kensington during the period July 1, 1981 through June 30, 1982, inclusive. These residents used $1,260.00 worth of services, however, only $481.00 could be billed according to their ability to pay. We therefore request a match payment from the Town, in this instance being $481.00. These funds to be used for current operating expenses to enable Rockingham Child and Family Services to continue providing individual and family counseling for residents of the town of Kensington whether or not said residents are able to pay."

9. By petition of Edith M. Keough and others, to see if the town of Kensington will: "appropriate the sum of $244.00 to the Greater Raymond Community Action Center, part of the Rockingham County Community Action Program, Inc., a private, non-profit, anti-poverty agency. This amount represents 2.5% of $9,787.00, the value of services rendered to Kensington residents from September 1, 1981 through August 31, 1982."

10. By petition of Nancy S. Roffman and others, "To see if the town will vote to raise and appropriate the sum of $500.00 for the continuation of the Mediation Program."

11. Too see if the town of Kensington will vote to raise and appropriate the sum of $1,517.00 to the Exeter Area Visiting Nurse Association, Inc.

12. To see if the town of Kensington will vote to raise and appropriate the sum of $948.50 to the Rockingham Planning Comm.

13. By petition of Sandra Gavutis and others, to see if the town of Kensington will require that any emergency response plans for the Town and the Seabrook Nuclear Project be approved by the town meeting as a condition for their acceptance by the town.
1. The Selectmen will cause any evacuation or other emergency response plans for the Seabrook Nuclear Project which affect the town which are developed by or for the town, the State of New Hampshire, the Public Service Company of New Hampshire, to come before the Town Meeting for approval by majority vote.
2. No town official or agency shall promote the implementation of an emergency response plan for the Seabrook Nuclear Project which has not been approved by the Town Meeting.

14. By petition of Nora M. Tuthill and others, to see if the town will vote to go on record in support of immediate actions by the Federal Government to control and reduce acid rain which is harmful to the environment and economy of our town, our State and the nation, and to the health and welfare of the people of our town, our State and the nation. These actions shall include:
1. Reduce by at least half the major cause of acid rain, sulfur dioxide emissions, by the year 1990.
2. Conclude negotiations and adopt a treaty with the government of Canada that will commit both nations to this same goal.
The record of the vote on this article shall be transmitted to the New Hampshire Congressional Delegation and to the President of the United States.

15. To see if the Town will raise and appropriate the sum of $18,000.00 for renovation of the interior of the Town Hall.

16. To see if the Town will vote to appropriate the sum of $7,503.21 from the Revenue Sharing Fund to be transferred to the Capital Reserve Fund Established for the investment of a Town office. This sum includes $2,244.00 which is January 1983 allocation. This amount to be withdrawn from the Capital Reserve Fund as needed.

17. To see if the Town will vote to appropriate the sum of $6,597.08 toward office space at Town Hall, said sum is accumulated Interest from Revenue Sharing Fund while invested in the Capital Reserve Fund.

18. To transact any other business that may legally come before the meeting.

Moderator, John W. York, administered the oath of office to those officers present. Linda Buxton, Town Clerk, administered the oath of office to all other officers at a later date.

2. On Ballot: Petition of Elias P. Collins and others to see if the Town will adopt the adjusted Elderly Exemptions from residential property taxes, as authorized by the 1981 session of the General Court. NOTE: This question will appear on the Official Ballot as follows:

"Shall we adopt the provisions of RSA 72:43-f for the adjusted elderly exemptions from property tax? These statutes provide for the following exemptions, based on assessed value, for qualified taxpayers: for a person 65 years of age up to 75 years $10,000; for a person 75 years of age up to 80 years, $15,000; for a person 80 year of age or older, $20,000. To qualify, the person must have been a New Hampshire resident for at least 5 years; own the real estate individually or jointly, or if the real estate is owned by his spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of less than $10,000 or if married, a combined net income of less than $12,000, and own net assets of $30,000 or less, excluding the value of the person's residence."

Yes 114 No 57

Polls will close at 7:30 p.m.

You are hereby notified to meet at the American Legion Hall in said Kensington on Thursday, the eleventh day of March, next at 7:30 p.m. to act upon Article 3 and subsequent articles.

3. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same. Selectmen's estimate of expenditures for the ensuing year is $186,474.62. Vote in the AFFIRMATIVE.

4. To see if the Town wishes to allow a discount on taxes paid within 30 or 60 days after presentation of tax bills. Hand vote in favor to INDEFINITELY POSTPONE. Postpone, yes 49 no 32

5. To vote on the basis of payment and the amount thereof to be paid to the Tax Collector for the collection of taxes. Vote in the AFFIRMATIVE to pay same as last year, ½ of 1%.

6. To see if the Town will grant the Selectmen authority to borrow money in anticipation of taxes. Vote in the AFFIRMATIVE not to exceed $375,000.

7. By petition of Peggy J. Lantz and others, to see if the Town will vote to raise and appropriate the sum of $310.00 to assist Rockingham Child and Family Services, a private, non-profit organization. The amount of this request is based on services rendered to 4 residents of the Town of Kensington during the period July 1, 1980 through June 30, 1981, inclusive. These residents used $1,240.00 worth of services, however, only $930.00 could be billed according to their ability to pay. We therefore request the minimum amount needed from the Town, in this instance being $310.00. These funds to be used for current operating expenses to enable Rockingham Child and Family Services to continue providing individual and family counseling for residents of the Town of Kensington whether or not said residents are able to pay. Vote was in the AFFIRMATIVE.

8. By petition of Violet C. Daly and others, to see if the Town of Kensington will vote to raise and appropriate the sum of $201.00 to the Greater Raymond Community Action Center, part of the Rockingham County Community Action Program, Inc., a private, non-profit, anti-poverty agency. This amount represents 2.5% of $8,037.00, the value of services rendered to Kensington residents from September 1, 1980 through August 31, 1981. Vote in the AFFIRMATIVE.

9. By petition of Nancy S. Roffman and others, to see if the Town of Kensington will vote to raise and appropriate the sum of $500.00 for the continuation of the Mediation Program. The Mediation Program has proven to be of real value to the communities served by the Exeter District Court in dealing with troubled juvenile situations. Vote in the AFFIRMATIVE.

10. To see if the Town of Kensington will vote to raise and appropriate the sum of $1,552.50 to the Exeter Area Visiting Nurse Association, Inc. Vote in the AFFIRMATIVE.

11. To see if the Town of Kensington will vote to raise and appropriate the sum of $797.40 to the Southeastern New Hampshire Regional Planning Commission. Vote in the AFFIRMATIVE.

12. To see if the Town of Kensington will vote to raise and appropriate the sum of $4,000.00 to the Exeter Area Youth Group Home, Inc.
Motion made by Norm Geis to amend article by adding: and to direct the Selectmen to obtain reimbursement from the responsible parents according to their ability to pay for services rendered by the Group Home.
Vote to amend article in the affirmative. Vote on amended article in the AFFIRMATIVE.

13. By petition of Frank W. Rosencrantz and others, to see if the Town will vote to authorize and direct the Selectmen to grant a cable franchise upon such lawful conditions as they may require, to erect, install and maintain in, under, or over streets, highways, and other public ways of the Town, wires, cable and other equipment related to the delivery or enhancement of television signals and other electrical impulses all in accordance with and as allowed by New Hampshire RSA 53-C (supp. 1977.
Joan Kaler made a motion to amend article to read: to direct the Selectmen to investigate and grant if feasable... Vote to amend article in the affirmative. Vote on amended article in the AFFIRMATIVE.

14. By petition of Nora M. Tuthill and others, that the residents of the Town of Kensington go on record with our Congressional delegation and with President Reagan that we oppose the continuation of a buildup of nuclear warheads and first strike missiles to deliver them, by both the United States and the Soviet Union. Vote in the AFFIRMATIVE.

15. By petition of E. Emmons Sanborn and others, to see if the Town will authorize the Board of Selectmen to sell the old dump property (now closed), located on Beaver Dam Road, and in connection therewith to negotiate with third parties and to determine the price and term of sale. Vote to table article in the AFFIRMATIVE.

16. By petition of Gary Easson and others, to elect the Chief of Police on a one year basis, in the same manner as other elected officials of the Town of Kensington, New Hampshire, and to repeal any town ordinances contrary thereto. Written ballot to indefinitely postpone. Yes 118 No 31

17. By petition of Stephen C. Smith and others, to see if the Town should adopt the procedure permitted by New Hampshire RSA 36:4, II (b), and pursuant thereto to have an elected planning board of 6 members, the members to be elected at the next regular Town Meeting and thereafter. Vote DID NOT CARRY.

18. To see if the Town will vote to raise and appropriate the sum of $8,000.00 as a portion of the sum necessary for a complete revaluation of the Town by a professional appraisal firm. Total estimated cost for an appraisal to be $18,000.00. Vote AFFIRM.

19. To see if the Town will vote to appropriate and allocate the total amount in the Capital Reserve Fund established for the revaluation of the Town together with accumulated interest to the date of withdrawal, the principal amount being $10,694.13, said sum and the accumulated interest to be applied towards the revaluation of Town property. Vote in the AFFIRMATIVE.

20. To see if the Town will vote to appropriate the sum of $10,071.51 from the Revenue Sharing Fund to be transferred to the Capital Reserve Fund, established for the investment of a Town Office building. Vote in the AFFIRMATIVE.

21. To see if the Town will vote to appropriate $58,417.46 for renovation and converting a portion of the Town Hall into office space, and authorize the withdrawal of the amount required for this purpose from the Federal Revenue Sharing Fund. This amount includes $10,071.51 which is 1981 allocation. Frank Rosencrantz made a motion to amend article by adding: To grant the Selectmen authority to retain the building inspector to work with the building committee and Selectmen, and to supervise the proposed renovation to the town hall. A fee based upon agreement between the Selectmen and building inspector. Vote on amendment in the affirmative. Charles Eastman made a motion to add: "present" building committee to amendment. Vote on amendment to amendment in the affirmative. Vote on amended article in the AFFIRMATIVE.

22. To transact any other business that may legally come before the meeting.

Motion made to adjourn meeting and seconded by several.

Respectfully Submitted, Linda C. Buxton, Town Clerk

Reimbursement to Town for moving Tr. Fund Cem. Lots	400.00
	$ 77,986.17

Audited Jan. 26, 1983 by E. Emmons Sanborn and Robert Batchelder.

All Capital Reserve Funds plus interest have been returned to the Town this year. The cemetery and library trust funds are in a 2½ year Certificate of Deposit and a regular savings account for current expenses. The two cemetery trust funds established in 1982 were deposited in the Savings account and will be added plus interest, to the principle when certificate becomes due, January 14, 1984.

REPORT OF THE CONSERVATION COMMISSION

In response to a master plan recommendation that Kensington protect its wetlands and water resources and try to maintain the rural character of the town, the conservation commission this year developed an ordinance for a wetlands conservation district. The wetlands ordinance was accepted by the planning board who have revised it slightly and who have proposed that it be voted on by ballot at this year's town meeting. We are particularly indebted to Cliff Sinnott of the Rockingham Planning Commission for his hard work and cooperation as he helped us to prepare this ordinance, and we are grateful to the Rockingham Planning Commission for its services in typing and duplicating material for us.

The commission maintains the town land off Rte. 108 as a natural area. This year members walked the trails with county forester Phil Auger who pointed out different options for future care, development, and use of the town-owned property. The commission plans to keep the present footpath open and to develop more trails this spring. The land may be entered on the east side of Rte. 108, just north of the E. Kingston town line.

Two development easements have been deeded to the town on approximately 18 acres of land in the Great Meadows by owners Ann and Steve Smith, and Francis and Judith Pease. The conservation commission hopes these actions will encourage other landowners of Great Meadows property to take similar action so the

prime wetlands will be protected and may continue to be secure for recreational use and wildlife habitat.

This year the commission backed selectmen when they issued a cease and desist order to a gravel pit operator in the southeast corner of Kensington who was enlarging New Zealand Road and destroying growth on its edges. New Zealand Road is designated as a scenic road by state statute.

Commission member George Gavutis has installed bluebird and kestrel boxes to encourage nesting of these species in town. Plans are available for those who want to build and install such boxes on their property.

The commission endorses the bottle bill to be proposed in the 1983 N. H. Legislature, and has written legislators to this effect.

The commission continues membership in the N. H. Association of Conservation Commissions and the Rockingham Land Trust.

EXETER AREA VISITING NURSE ASSN., INC.

1982 was a year of accomplishment for the EAVNA in spite of state and federal cuts.

HOME CARE Two new services have been added to the Home Care Program; speech and occupational therapy. Persons confined to their homes are now able to receive these therapies at a more effective time rather than having to wait until they are well enough to leave their homes. The home health aide staff has been increased to meet the demands for assistance with personal care while the nursing staff has responded to a need for support and treatment to persons requiring more skilled care at home than before. This is possible through continuing education to ensure competency to meet these needs. The Agency continues to provide physical therapy to a large number of persons in the service area.

MATERNAL AND CHILD HEALTH The enrollment in this program continues to increase as the economy declines, providing home visits and clinic services to families with pre-school children.

ADULT HEALTH SERVICE In addition to high blood pressure and blood glucose screenings, flu vaccine immunizations and tuberculosis testing, the Agency now has Foot Care Clinics.

The Agency, recognizing the necessity for qualified health personnel provides a clinical setting to students of health care to enhance and expand their knowledge.

12,067 units of service were provided to residents of the service area between Jan. 1, 1982 and Dec. 31, 1982. (Individual town statistics are sent to the selectmen of each town).

dual town statistics are sent to the selectmen of each town).

Early in the new year, services will be available on a 24 hour, 7 day basis.

The Agency works closely with other health and social agencies to ensure the most comprehensive care possible to the residents of the participating towns. The Agency continues to maintain its Medicare and Medicaid certification and is a member of the Community Health Care Assn. of N. H. and the National Assn. for Home Care.

The Association relies upon many valuable volunteers who work at the clinics and in the office in addition to regular staff.

Information may be obtained by calling the Exeter Area Visiting Nurse office, Monday through Friday, 8:00 a.m. to 4:00 p.m., 772-2981 or write to 26 Prospect Ave., Exeter, N. H. 03833.

REPORT OF THE ROCKINGHAM PLANNING COMMISSION

Some important changes have been made at regional planning in the past year. For several years the S. E. Regional Planning Commission was combined with the Southern Rockingham Planning Commission and the Strafford Planning Commission in the Strafford-Rockingham Regional Council. This combination which was mandated by federal government agencies and Governor Peterson in 1972, as an attempt to provide a more efficient system, turned out to be unsatisfactory. As a consequence, the Strafford Planning Comm. as of last July 1st, has separated and the Southern Rockingham Planning Comm. has merged with the S. E. Regional Planning Comm. into the Rockingham Planning Comm.

As a result of this change, we have been able to eliminate two offices along with some of the extra office help. We are able to use our professional staff in a more flexible and efficient manner and the caliber of our staff is the finest it has been in the ten years we have belonged to the Commission.

A less positive change, which has been taking place for some years, has been the drastic decline in federal funds for regional planning. At the same time the Comm. has not raised its dues rate since Kensington joined. As a consequence, the Comm. is asking this year a contribution of 70¢ per capita as opposed to 60¢ in previous years. This should allow the Comm. to perform its duties and develope its program with less "ties" to federal funding.

Local technical assistance continues to be a major effort at the planning commission. This past year Cliff Sinnott has been assisting the Kensington Conservation Comm. in the development of its long-term program and in the development of a proper wetlands ordinance. Rockingham Town Notes,

lands ordinance. Rockingham Town Notes, a newsletter of the planning commission, keeps town officials informed of developments which affect their duties.

Major regional programs at the Rockingham Planning Comm. includes: historic preservation; transportation planning; and solid waste management. A program of joint purchasing is being set up for the member towns. The first effort will be to purchase tar for road use.

We believe that the Rockingham Planning Comm. is in the best position, in years, to serve the town of Kensington.

Seth Perry

FIRE DEPARTMENT BUDGET

1983

Insurance	$ 6,050.00
Fuel Oil	1,400.00
Telephone	875.00
Electric	600.00
Gas & Oil Repairs	800.00
Equipment Repairs	650.00
New equipment	3,400.00
Misc.	225.00
Schooling	200.00
Radio & Pager Repairs	900.00
TOTAL	$ 15,050.00

During the year, 1982, the Kensington Volunteer Fire Dept. responded to 64 calls as follows:

Building Fire	2
Chimney Fire	6
Vehicle Fire	2
Grass & Brush Fire	2
Misc. Fire	12
Mutual Aid	7
Rescue Swuad Calls	33
TOTAL	64
Total man hours	548

In October of 1982 the Kensington Fire Dept. put in service a new ambulance, procured with generous donations from a joint Town effort in fund raising. The ambulance is staffed by sixteen Fire Dept. Emergency Medical Technicians.

There is no fee charged to the residents of Kensington for this service. The Fire Dept. wishes to take this opportunity to thank all those people who participated in this fund raising.

Respectfully submitted,
Hubert H. Schweizer, Jr., Cheif

REPORT OF TOWN FOREST FIRE WARDENS AND STATE FOREST RANGER

Forest fire prevention, our business, your business, good business! This slogan has been the motto of the N. H. Div. of Forests and Lands, Forest Fire Service since 1909 when the forest fire laws were passed by the Legislature.

These laws set in place a cooperative forest fire protection program of State and local forest fire personnel that has, in the past 75 years, established N. H. as a leader in forest fire prevention and control. Our annual acreage loss to forest fires of one-half acre per fire is the best in the nation. This fire record has come about through the cooperative efforts of our state/town forest fire protection program. The state provides detection of fires, training for local forest fire wardens, low cost forest fire suppression equipment to local fire departments, and technical advice at the fire ground. Local governments provide the volunteer fire fighters who are appointed as wardens and deputy wardens and who respond quickly to suppress reported forest fires.

This program has resulted in a steady decline in annual acres lost to forest fires since 1910 when the average fire burned 33 acres compared to the modern day loss of one-half acre per fire.

Only by the continued cooperation of the State/towns and our entire citizenry can this record be maintained.

1982 Statistics

	State	District	City/Town
No. of Fires	391	41	2
No. of Acres	161 3/4	30 1/3	.10

Miscellaneous	259.00
TOTAL	$ 22,067.64

Respectfully Submitted,
Roger Levesque, Chief

Kensington Police Dept.

Personnel - Six (6) Part Time
Police Vehicle - 1980 Plymouth Fury, Estimated Mileage 76,000.

The continuing growth of the town and the needs of the police department are again reflected by activity statistics compiled for 1982 resulting in increases in the demand for services in all areas.

Training
We were very fortunate in the appointment of new officers of excellent potential to serve the community.

All of the officers have completed an extensive 11-week course of instruction with the N. H. Police Standards & Training Council and are now "Certified Part-Time Police Officers."

The officers also receive in-service training and attend seminars in order to increase their knowledge and proficiency encompassing all areas of law enforcement, including the tools of their trade, such as Firearms Qualification, etc.

Safety
While their were accidents with personal injuries, their were no fatalities during the past year.

The number of minor motor vehicle accidents continue but with no increase as compared to 1981. The major causes being inattention, speeding and crashes which are alcohol related.

1981------57 accidents 1982------60 accidents

The total number of arrest for drunken driving was 11 compared to 8 in 1981.

We continue our program in Selective Traffic Enforcement with increased patrols and making more motor vehicle stops for violations and to utilize the Radar Unit more frequently with particular attention to drunken drivers in order to reduce the alcohol related accidents and to minimize serious moving violations.

Some of these was a result of complaints made by concerned citizens regarding offenders through neighborhoods, etc.

	1980	1981	1982
Violations	129	256	602
Warnings	33	337	774

From these statistics, it is indicated that a positive effort is being made in this area.

Crime Prevention

A major concern of every department is its criminal activities, the most worrysome crime is that of burglary. By means of increased patrols, and the use of certain crime prevention techniques, we were able to decrease the burglary rate to 50%.

1981------14 burglaries 1982------7 burglaries

One method is due to the cooperative effort of the townspeople to report suspicious activities in their neighborhood. Their helpfulness resulted in increased effectiveness of our patrols immeasurably.

We are also pleased that residents are taking advantage of the Security Housecheck Program. This is an excellent method of Crime Prevention for the property owner.

Housechecks 1981------340 1982------428

Communications

Although the police department is a "Part Time" agency, we have strived to improve response to services by means of scheduled patrols and officers on call during peak time periods.

This year we are in the process of expanding the availability of personnel by increasing our communications system, whereas off duty officers will be equipped with mobile radios in their private cars with direct contact to the Dispatch Center and are making themselves available on a 24-hr. basis upon notification.

It is my belief that this type of flexibility will allow us to better serve the community.

Other problems we face in the coming year requires your support in budgetary matters.

In order for us to maintain professional standards and to provide adequate police protection, certain monies is required to fullfill those requirements.

In the past two (2) years, the police department has made substantial success in achieving these goals which is quite obvious by the 1982 statistics and always keeping in mind the interest of the community as a guide.

At this time, we approach a level of balance under the present system (Part Time) in terms of: police protection. Upgrading its personnel and resources in order to perform with maximum proficiency. Cost effectiveness has always been a consideration and will continue to be an important factor within the budget.

Conclusion

The statistics of 1982 enable us to end the year on a pleasing note and with a positive attitude of a job well done with the supportive efforts from the citizenry, to continue in this manner so that Kensington will continue to be a safe place to live.

I would like to take this opportunity to thank the citizens of Kensington who have assisted and supported the police department.

Special thanks to the Kensington Volunteer Fire Dept. and the Road Agent for their able assistance during the year.

Finally, I would like to add that the officers are continuously committed to providing the best possible service and will strive for excellence to meet the needs of the community.

Respectfully Submitted,
Roger R. Levesque, Chief

KENSINGTON POLICE DEPT.
Animal Control Div.

With the appointment of Kenneth Cronshaw in 1982, the functions of animal control has become a very effective program in terms of enforcement and response to calls for service.

The officer has made himself available 24-hrs. a day and is equipped with a mobile radio with direct communication to the Dispatch Center and local police.

He uses his own personal vehicle (Pickup truck) which he has converted for usage in the restraining of animals for their transportation to the animal shelter for disposition.

In the coming year, with the enforcement of laws and including the licensing of dogs, we hope to offset any costs incurred by the town for services and/or dog damages.

We wish to remind all dog owners that State Law requires all dogs to be leashed or under the immediate, personal control of someone is mandatory. The fact that a dog only travels around the neighborhood or to the neighbor's yard is still a violation of the law. A $10.00 penalty is the minimum assessed for this offense and any subsequent violations will tend to increase the penalty accordingly.

We ask that you be considerate of your neighbor and your pocketbook. Obey the leash law. Last year several summonses were issued by the dog officer, including warnings. We would prefer to have you keep your dog at home and enjoy your animal.

For the benefit of newer residents, the law requires the licensing of all dogs without exception, over the age of three (3) months. The dog must have received a rabies innoculation and the certificate must be presented to the town clerk before a license can be issued. Failure to license the dog prior to May 1st will result in a $1.00 per month late fee in addition to any other penalties that may be assessed by the Dog Officer. Each dog must wear a collar around its neck, attached to said collar a metal tag distinctly marked with its registration number.

A rabies inoculation clinic is usually sponsored in the month of April, whereby dog owners may have their pet inoculated at a reduced fee. Check your newspapers for date and location.

REPORT OF THE KENSINGTON RECREATION COMMISSION

The committee thanks townspeople for their efforts in the continued care and preservation of our park. Plans for the restoration of the baseball dugout and the cookout facilities are being considered. It is hoped that electrical power will once again be available for our needs.

Thank you also for the care of the great picnic tables in the pavilion. Maintenance is the responsibility of us all, and our park will not take care of itself.

The Committee has approached the State Department of Public Works and Highways on the topic of bicycle paths along Rte. 150. The reply this past August leaves us with some hope and enthusiasm for further consideration of this matter over the next three years. If we can get such a project approved, we have been informed that because Rte. 150 is on the Federal-aid Secondary system, the work performed would be eligible for 75% Federal and 25% State funding.

The park will be open again in the spring for the many functions it has been used for in the past.

Respectfully submitted,

Despite the loss of the valuable Bookmobile Service provided by the State Library for many years and the high cost of books that we were able to buy from our budget the library has continued to try to serve the community adequately. We still can borrow books through the former bookmobile collection but it is now located in Concord rather than Exeter. Sally Head and I made two trips to Concord during the year to choose books for the use of our borrowers. These trips mean finding a day when both Sally and I can take the same day away from the library and we find very few new books to choose when we get there.

Thanks to the generosity of many local people we added 609 new books to our collection during 1982. Many of these books were donated and we frequently had no idea who the donors were. Several times during the year we found cartons of books on the library proch when we opened. The Dingmans gave us more Time/Life Books including the complete set of the Saga of Flight. We also appreciate the gift of magazines from various people. We did purchase 335 new books from the library budget but the cost of books has gone way out of sight. Children's books are nearly as costly as adult books and their life is much less than adult book life. Ann Smith, Public Library Trustee has continued her book mending service for us which goes to lengthen the life of books considerably. We purchase most of our books through the Seacoast Library Book Cooperative which allows us to take advantage of better discounts.

We had books given in memory of Ruth Sawyer, Ralph Nelson, Rosaling Sawyer Chetwynd, otherwise knows as Buddy, Marian Welch and Clark Jacobs. This is a lasting memorial to those you wish to remember and we try to take special care of these books.

Sally Head continued to have summer programs for the children. Besides the Summer Reading Club and the end of the summer party for the childred who read in the summer program she had two craft sessions for the children and we continued the summer kids movies during July and August. We also had a family movie night during the April vacation for the children and their parents. We plan to repeat the family movies from time to time.

We repeated the Christmas Tree Trimming and Punch Party which was well attended and everyone seemed to be having a good time. I know the library staff did.

The library hosted a book autographing party for Don Wilson in Dec. and the library and the ambulance fund shared in the profits of the sale of Don's books. Don also gave a copy of each of his three published books so if you are curious you can borrow the books from the library.

We could not continue to serve the Elementary School, as well as we do without the help of our faithful volunteers. This year they included Joanne Cole, Margaret Perry, Leslie Frank, Sharon Boyd, Cheryl Sammans, Narda Wilkinson. Susan Gilbert helps us with our filing and Amy Buxton and Ann Smith help straighten up the Children's room. I can hardly wait until that efficient young Amy Buxton gets tall enough to graduate to the upstairs stack straightening task. She is such an ambitious and hard working young lady. I sure could use her on the adult stacks.

The library Staff wish to thank all of those who helped in any way to make the library more useful to the town and if I've not thanked anyone who helped in any way forgive me.

I wish to thank the library staff, June Armstrong, Assistant Librarian, Sally Head, Children's Librarian and Priscilla Prescott substitute and clerktypist for their dedication and for putting up with me. Also, we all wish to thank the library trustee, both public and social for their help and continued dedication. And last but not least Stanley Underhill for his care in seeing that the library grounds are attractive and well kept.

And to the townspeople who use the library, please keep coming in and using the library. It is your library and we are the keepers. We are proud of it and we hope you are.

Respectfully submitted
Lucy Blodgett, Librarian

REPORT OF THE BUILDING COMMITTEE

The building committee met soon after town meeting in March of 1982, with the three Selectmen and building inspector to discuss plans to start work on the town hall. After several meetings, the contract was drawn up to move the town hall back twenty feet and place it on a new foundation.

The contract was awarded to Jack Stilkey Building mover.

The trees were cut, stumps were removed and work was finally started on the hall in late July. Two sills had to be replaced before the building could be moved.

In late September and after many meetings with the contractor and with a great sigh of relief, from the committee, the hall was finally moved back on the new foundation.

We then continued on to put in the heat, replace the bathroom and provide some office space.

The parking lot and driveway is done, seeding, landscaping and painting is planned for early spring.

The building committee has endeavored to accomplish several things in planning to increase office space in the town hall. First the maintenance of historical appearance of the town hall and surrounding buildings, secondly, increasing town office space, a larger meeting hall and finally improve traffic safety by improving visability when entering and leaving the town hall.

Harold Bodwell, Jr.
David Bailey
Charles Matthews

Building Committee

REPORT OF THE PLANNING BOARD

The past year has been very quiet with regard to land subdivision applications. The board has experienced a slight increase in the request of home use occupation approvals.

Discretionary easements, a provision for those people with nonconforming lots to become eligible for current land use, was a new assignment for us in the past year and we had many land owners apply.

The boards major task has been to work with the Conservation Comm., S. E. Regional Planning Comm., and the Soil Conservation Service in the development of a wetlands ordinance to be voted on by the voters in this years town warrant.

Of Officers of the School District
Of the Town of Kensington, New Hampshire
For the Year Beginning July 1, 1981
And Ending July 1, 1982

MODERATOR
John York

CLERK
Terrie L. Steeves

SCHOOL BOARD MEMBERS
Harold Bodwell III
Linda Blood
Richard F. Drew

TREASURER
Mary F. Batchelder

AUDITOR
Robert E. Batchelder

SCHOOL DISTRICT WARRANT
STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Kensington, County of Rockingham, State of New Hampshire, qualified to vote in District affairs:

You are hereby notified to meet at the Town Hall in said Kensington on Saturday, the fifth day of March, 1983, at seven o'clock in the afternoon to act upon the following articles:

1. To determine and appoint the salaries of the School Board and Truant Office and fix the compensation of any other officers or agents of the School District.

2. To hear the reports of Agents, Auditors, Committees or officers heretofore chosen and pass any vote relative thereto.

3. To see if the District wishes to request from the commissioner of Education a waiver of the requirements stated in RSA 189: 11-a which requires the establishment of a school lunch program.

4. To see if the District will vote to authorize the School Board to make application for, accept, and expend on behalf of the School District, all gifts, advances, grants in aid, revenue sharing funds or any other funds for educational purposes as may now or hereafter be available or forthcoming from the U. S. Government, the State of New Hampshire or any of its municipalities or any other state, local or federal agency.

5. To see if the District will recess the meeting to Saturday, April 2, 1983, 7:00 p.m., Kensington Town Hall, for the sole purpose of acting on the following:

   A. To see if the District will vote to approve or reject the fact finder's recommendation under the provisions of Revised Statutes Annotated Chapter 273-A with respect to the impasse presently existing in negotiations between the Kensington School District and the Kensington Teachers Association.

   B. To see what sum of money the District will vote to raise and appropriate for the payment of salaries for School District teachers and all other cost items as defined by Revised Statute Annotated Chapter 273:A:I.

   C. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of the statutory obligations of the district.

(In the event the fact finders report is available or agreement has been reached by the School Board and the Teachers Association, Articles A, B, and C may be acted upon Saturday, March 5, 1983 at said School District meeting called for the purpose of acting on the listed warrant articles.)

6. To choose Agents and/or Committees in relation to any subject embraced by this Warrant.

7. To transact any other business that may legally come before this meeting.

Given under our hands at said Kensington this 14th day of February, 1983.

Harold Bodwell III
Linda Blood
Richard F. Drew
School Board of Kensington, N. H.

RECORD OF THE 1982 SCHOOL DISTRICT MEETING
KENSINGTON, N. H. - MARCH 6, 1982

The annual School District Meeting was called to order by the Moderator, John York, at 7:02 p.m. Lester Briggs opened the meeting with an appropriate prayer, followed by the salute to the flag. The Moderator read the Warrant.

ARTICLE 1. To determine and appoint the salaries of the School Board and Truant Officer and fix the compensation of any other officers or agents of the School District.

Hal Bodwell motioned the article remain the same. Gordon Swift seconded the motion. The vote was affirmative.

ARTICLE 2. To hear reports of Agents, Auditors, Committees or Officers heretofore chosen and pass any vote relative thereto.

Richard Drew motioned to pass over article 2. Linda Blood seconded the motion. The vote was affirmative.

ARTICLE 3. To see if the District will vote to change the term of office for School District Moderator, Clerk and Treasurer from one year to a period of three years. Said change will begin with the 1983 March election.

Linda Blood motioned to accept the article. Hal Bodwell seconded the motion. Gordon Swift inquired as to why the change. Richard Drew explained that it would be easier as far as the treasurers job is concerned. Voting was required by ballot. Yes (56) No (12) The vote was affirmative.

ARTICLE 4. To see if the District will vote to authorize the School Board to apply for, accept and expend, without further action by the School District Meeting, money from any source which becomes available during the fiscal year. Said money must be used for legal purposes for which the School District may appropriate money; requires a public hearing on the action to be taken; must not require the expenditure of other School District funds; and must be exempt from all provisions of RSA 32 relative to limitations and expenditures of School District monies.

Dick Drew moved to adopt the article. Hal Bodwell seconded. Seth Perry asked what the difference was between this article and article six. Dick Drew explained that article six was from State fundings. The vote was affirmative.

ARTICLE 5. To see if the District wishes to request from the Commissioner of Education a waiver of the requirement stated in RSA 189: 11-a which requires the establishment of a school lunch program.

Linda Blood moved to accept article 5. Several seconded. Joe Ripel asked if there would be an alternative. Dick Drew said no, that the State requires this to be voted on. Clem Streck explained that we don't need a waiver, that we already have a lunch, it's called brown bagging it. Mr. Fred King explained that the State requires a Type A meal and that brown bags were not accepted. Hal Bodwell stated that this is why a waiver was put in, because we do not want a hot lunch program. Also, there is not room. The vote was in the affirmative.

ARTICLE 6. To see if the District will vote to authorize the School Board to make application for, accept, and expend on behalf of the School District, all gifts, advances, grants in

behalf of the School District, all gifts, advances, grants in aid, revenue sharing funds or any other funds for educational purposes as may now or hereafter be available or forthcoming from the U. S. Government, the State of New Hampshire or any of its municipalities or any other state, local or federal agency.

Hal Bodwell motioned to accept this article. Gordon Swift seconded. The vote was affirmative.

ARTICLE 7. To see what sum of money the School District will vote to raise and appropriate for the support of schools, for the statutory obligations of the District.

Dick Drew motioned to raise the sum of Six Hundred Thirty Five thousand, Six Hundred Ninety Four Dollars. ($635,694.00) Hal Bodwell seconded the motion. Seavie Rideout questioned the fifty percent increase in the Science program. Dick Drew stated that program used now is very old. Jessie York asked how much of Employee Benefits come under salary. Dick Drew said none, that it was under Personnel Administration, page sixty four (64). Marcia York asked if the town paid dental and life insurance, Dick Drew said yes, twenty four hour coverage. Seavie Rideout asked if the Life Insurance was paid 100%. Mr. Drew said yes. Mr. Rideout stated that other school do not pay 100%. Clem Streck motioned to amend the article to read five Hundred Fifty Thousand Dollars ($550,000). Charles Eastman seconded. John York explained that this was an Eighty Five Thousand, Six Hundred Ninty-Four Dollar ($85,694.00) deduction, if we are to cut, then it should be left to the school board to make the cuts. You just don't pop off figures. Doris Swift asked for the School Boards comment. John York said, I think the school board is dumb-founded. Margaret Sowers questioned the costs to support foster children. Clem Streck explained that the budget should be set and stick to it. John York called for a vote. Doris Swift said, we really need an answer on the increase. Dick Drew explained that we were up Sixty Two Thousand Dollars ($62,000.00) for Jr. High and High School. For Special Education and transportation. Mrs. Sowers questioned about the children who do not live with relatives and the foster children and if we are compensated. Mr. Fred King spoke that the law requires that the town in which a child resides is responsible. The law does need changing. Mr. Rideout believed that our tuition was higher than other towns. Mr. King said that Exeter High and Jr. High is below the State average. Jessie York asked why we were required to pay for three year olds. Mr. King explained that if the child is tested by a Doctor or specialist and requires special education, then by law, we're required to pay, from three years olds to twenty-one year olds. Dick Sim asked if we get compensation for the handicapped. Mr. King said yes, only less, we pay a major portion. There was a call on the amendment. Several asked for a division of the house. For (24) Opposed (45)

Seavie Rideout recommended an amendment to read Six Hundred Twenty Six Thousand, One Hundred Fifty Eight Dollars and Fifty Nine Cents ($626,158.59.) To cut the Science Program, supplies and books. Blue Corss-Blue Shield and Dental to be cut to fifty percent. Office expenses and fiscal services, that we should take care of ourselves. Sandra Gavutis suggested voting on each cut separate. Gordon Swift asked if there was a hearing on the budget. Dick Drew said yes. Mr. Swift said, then people should

have gone to that meeting. Mr. Rideout explained that there was a lot of opposition at that meeting, that we are the highest of the surrounding towns, that we have to get in line, it's the school boards place to cut.

Mr. Drew said that the State mandates the budget and the school board doesn't have the say and that Mr. Rideout isn't being honest in his cuts. Mr. Rideout explained that his suggested cuts were school items, not State funded. Hal Bodwell felt the cuts in the Science program would not be good, as these kids will get way behind, that our kids are on the State average. Clem Streck felt that Mr. Rideout did not mean to be specific on each item, that his requests are reasonable. John York felt that our cost of education was in the ball park with the surrounding schools. Lucy Blodgett asked the Moderator to hand his gavel over to the Clerk if he wished to make any suggestions. Mr. York apologized. Seavie Rideout said we pay for teachers to have the day off to go to a conference and also pay for the substitute. He, as a teacher, does not get paid for that. Joe Ripel asked if the salaries in Hampton were higher or lower. Mr. Rideout said that this was not the question, but Kensington might be lower. Dick Drew said that we were lower from all the union except East Kingston, that we are in the bottom of the salary schedule. Dick Sim felt that we should not compare with other towns, as we are a very simple town, without the stores and businesses. Harry Bodwell felt that the school board has been very careful with our money. If we are going to tamper with this, perhaps we should wait and really scrutinize next year. The question was called for a written ballot to the amendment of the budget of Six Hundred Twenty Six Thousand, One Hundred Fifty Eight Dollars and Fifty Nine Cents ($626,158.59). For (35) No (33) The vote was in favor.

ARTICLE 8. To choose Agents and/or Committees in relation to any subject embraced by this Warrant.

Dick Drew motioned to pass over this article. Hal Bodwell seconded the motion. The vote was affirmative.

ARTICLE 9. To transact any other business that may legally come before this meeting. Seavie Rideout suggested that perhaps the School Board would like help with cutting the budget. Herbert Eastman moved to adjourn the meeting. Gordon Swift extended appreciation to the School Board for their hard work. Several seconded the motion to adjourn. The vote was affirmatime. The Moderator, John York, declared the School District Meeting adjourned at 8:21 p.m.

Terrie L. Steeves
School District Clerk

Results of the Election for Kensington School District Officials on March 9, 1982. There were Three Hundred Thirty Nine (339) ballots cast, of which seventeen (17) blanks and four (4) absentee. Elected *

SCHOOL DISTRICT REPORT

Superintendent of Schools, Fred B. King

Many times throughout the year someone poses a very legitimate question, "How good are the Schools of this community?" One has to base the answer on the over-all "track record" of the school and not on isolated items based on a single child. One has to look at the total continum of educational opportunities and the student performance as a result of those experiences.

The schools of SAU #16 as a public school system tries to meet the needs of each child. There is a program available which trys to fulfill this goal. Let me summarize these:

1) Regular classes designed to group students according to ability and need. Well defined objectives have been established and a systematic approach (sometimes referred to as "levels") has been established to aid the accountability of student learning in the key areas of reading, language arts and math.

2) Special education classes for students with mental exceptionalities from the educable to the severely and profoundly handicapped, emotionally disturbed, oral language impaired, hearing impaired, visually impaired, multiply handicapped, and those with learning disabilities.

3) College preparatory classes that train graduates who constantly compete at colleges throughout the United States at a successfully high level.

4) A Vocational Center that provides programs in many different vocational areas where many students gain job placement in skilled areas prior to graduation.

5) A successfully diversified co-curricular program of athletics, music, speech, drama, arts, etc., to meet the needs of all students.

6) Financially efficient operation that blends available resources with prioritized needs.

7) Competent teaching and administrative staff members who pride themselves in assisting students to develop their innate abilities.

8) Curricular course guides designed with specific objectives for student achievement to assure a degree of accountability and consistency.

9) Supplemental pupil services of guidance, counseling, social work, health, testing, and psychological services to meet student needs.

10) A modern and efficient program of transportation.

11) An efficient program of building maintenance services and renovation where needed.

Sometimes not everyone's needs are met as well as one would like but in comparing our graduate programs and services with those of other communities I believe you would be hard pressed to find a school system that better deals with all childrens needs than does the Schools of SAU #16.

As schools look to the future two needs stand out. We need to organize a program of computer education from grades one to twelve, educate our staff and provide adequate computers and software to carry out the program. The second need deals with the high school library in Exeter. It is in need of additional space to meet the requirements of a good high school library. A committee should review and study this problem and present a solution to the Exeter School District a year from now. With the college competition today, and the need for good research skills we cannot afford to neglect the very "heart" of any school system - namely its library facility.

Since this is the last report that I shall prepare I wish to express my thanks to the many fine people whom I have met over the years. Most of my memories are pleasant ones and they certainly far outweigh the disagreeable and politically oriented ones that have come my way as of late.

One way to insure that schools continue to grow is to have citizens become interested and involved. Citizens should want to know what is going on and be keenly aware of actions taken by the local school board in their behalf. Attendance at board meetings and voicing opinions is an option every citizen has and it should be utilized more frequently in the days ahead. Remember children are indeed our most important resource and we must never short change them in the name of "economy."

INFORMATION FOR KENSINGTON RESIDENTS

RULES & REGULATIONS FOR WASTE OR REFUSE DISPOSAL

1. There will be a house to house pickup every Wednesday of each week.
2. Waste must be contained in plastic bags or trash containers, not to exceed a capacity of 30 gallons.
3. Solid waste must be placed at end of driveway at 7 a.m.
4. Weight of any container not to exceed 100 pounds.
5. No brush or stumps will be picked up and no 55 gallon drums are to be used.
6. Refrigerators, stoves, washing machines, dryers and tires will be picked up the first Tuesday in May and November.
7. Providing leaves are to be disposed of along with solid waste, the limit for each week will be four 30 gallon trash containers or 8 plastic bags.
8. There will be a container placed at the Elementary School for the use of the school, fire house, library, town hall, church and american legion.

LICENSING OF DOGS

Each owner of a dog 3 months old or over must register the dog with the Town Clerk before May 1st. Each dog over 3 months must have received a "rabies vaccination" certificate of vaccination to be presented to the Town Clerk at time of licencing. Each Dog must wear a collar around its neck; attached to said collar a metal tag distinctly marked with its registration number.

License fees are as follows:

Male	$6.00	Female	$6.50
Neutered Male	$3.50	Spayed Female	$3.50

Penalties -$1.00 per month after May 1st.

JUNK CAR REGULATIONS

A recent N. H. Statute requires anyone with two or more unregistered or old cars no longer intended or in condition for legal use on highways or used auto parts equal in bulk to two vehicles must obtain a license or be subject to a $10.00 a day fine and a mandatory injunction to end the violation by the selectmen. New and used car dealers registered as such are not considered auto junk dealers but must remove any junk cars from their premises within 160 days.
